Secondary School Leaving Certificate (SSLC) <i>Sri Vijaya Vidyalaya Matric Hr. Sec. School, Dharmapuri</i> Percentage: 78%	2019 – 2020

Technical Skills

Programming Languages: Java, Python
Web Technologies: React.js, Next.js, Node.js, Django
Databases: MongoDB, PostgreSQL
Tools : Postman (**API Testing**)
Version Control and Deployment: GitHub, Vercel, Netlify, Render

Experience

Full Stack Developer Intern – Teanso Technologies

- Developed responsive UI components using Next.js and integrated REST APIs.
- Collaborated with backend developers and implemented feature enhancements.
- Performed debugging and optimization to improve application performance.

Projects

Real Estate Web Platform (Next.js, Django, PostgreSQL)

- Worked as a Frontend Developer Intern at Teanso Technologies on the MyPropAI real estate platform.
- Developed responsive user interfaces using Next.js and implemented reusable components for various modules.
- Integrated REST APIs with the frontend and handled dynamic data rendering and state management.

URL Shortener (React.js, Express.js, MongoDB)

- Built a full-stack URL shortening application using React.js, Express.js, and MongoDB.
- Developed REST APIs for URL generation and redirection.
- Designed a responsive user interface and implemented data storage using MongoDB.

Image Background Remover (React.js, Express.js)

- Built a web application to remove image backgrounds with **React** (front-end) and **Node.js** (back-end).
- Integrated a third-party API for background processing and implemented drag-and-drop upload, preview, and download functionality.

Certificates

Java Basics Certificate – HackerRank

- Demonstrated proficiency in Java fundamentals including data types, control structures, and OOP concepts.
